## Inspirational Stories from Guest Speakers

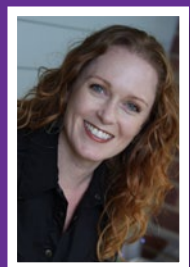

**Julie White** - Create U

Halving her body size within a year!  
Completely transforming her health,  
relationships and business direction, Julie is now a  
Personal Performance Coach and Trainer educated  
in nutrition, exercise, business and science -  
working specifically with people committed to  
changing or achieving long lasting and significant  
emotional and physical change.

& **Shandra Moran** - Personal  
Branding for Women in Business  
Find out:

- What Personal Branding is, and isn't
- How you can leverage your uniqueness to stand out from the crowd and attract the people who need to find you
- The three mistakes women frequently make in business and how to avoid them.

RSVP by 1st March, visit [www.successwomensnetwork.com.au](http://www.successwomensnetwork.com.au)  
to be involved in this fabulous, monumental, historic event for the women all over the world.
